We're involved in the trading (but not leaking) of Taylor Swift rare songs! If you have a rare song and would like to trade with us please contact us at taylorswiftville@gmail.com . Rest assured that we pride ourselves on discussing and negotiating fair and reputable deals with fellow Swifties. We got into trading songs because we loved Taylor Swift and simply wanted to hear these songs. If you love Taylor Swift as well and embrace our philosophy of love and community over snobbery and division we're open to discussion! Our list of songs we have versus songs we need are shown below:

Songs We Have:
