~Disclaimer~

These images have not been taken by me. At the bottom of each gallery I have included copyright and source information for these photos. If you have claim to any images on this page and would not like the image to be displayed, please contact us at taylorswiftville@gmail.com and file a request to have the image removed and we shall do so promptly. Because our sources for images may differ, each gallery page will display copyright information for images in that specific gallery. All images are property of their respective owners and are strictly for non-commercial use. Any proceeds from advertising on our site will be used to maintain our servers.
